

S522W

S series

S522W

2.1 channel home theater sound bar with wireless subwoofer

810mm

Key Features:

Clear and loud sound

Maximum Audio Power 200W

Specialized sound modes

Wireless music

Ideal for 32" TV and above

Stunning sound. Made simple.

The sound bar delivers stunning sound thanks to precision tuning to deliver what the artist intended. Tested and tuned at award-winning iLab in Belgium, the sound bar is developed by our in-house team who have extensive experience in sound and acoustic experiences. Equipped with 2.1 channel sound bar system with subwoofer, Sound bar is destined to improve your entertainment experience with room-filling and stunning sound. Moreover, our sound bar comes with three distinct

listening modes – Movie, Music, and News. Its equipped with Bluetooth for easy wireless streaming - You can stream your favorite music anytime by connecting your smart device with it. You can choose Wall Mount & on TV Cabinet for Placement. You can control it using one simple soundbar remote or your TCL TV remote for ease of use and reduced clutter. Enjoy loud and clear sound without distortion for a truly immersive listening experience.
